YOUR PARTNER IN CORPORATE EXCELLENCE

Your Partner In Corporate Excellence

Business Setup. Simplified. Personalized. Global.

“Alex Zone was born from a vision: to turn the chaos of starting a business into a clear, confident journey. In a market known for paperwork and waiting rooms, we built a service known for speed, trust, and results.”
“message from our partner”

**Alex Zone is
not just a
business setup
consultancy.**

**WHO
WE
ARE?**

We are your legal arm, your bank liaison, your marketing partner, your operations advisor, your business concierge in the UAE. Our job starts when you dream of expanding and only ends when your business is thriving.

OUR PROMISE

We don't offer cookie-cutter solutions.
We offer white-glove, all-in-one services that:

Make regulations understandable

Replace stress with confidence

Save your time and energy

Keep your costs predictable

Vision

To be the most trusted and talked-about business setup partner in the UAE.

Mission

To empower investors and entrepreneurs through transparent, seamless, and full-spectrum business support services.

Our Services

01

Company Formation (Free Zone, Mainland)

We handle the complete registration and licensing process for Free Zone and Mainland companies. From legal documentation to authority approvals, we ensure a structured, timely, and fully compliant setup.

02

Investor and Employee Visas

Our team oversees the full visa application lifecycle. Whether you're securing your investor visa or arranging employment visas for your staff, we manage document preparation, application submission, and coordination with immigration authorities.

03

Corporate Tax & VAT Registration and Filing

We assist businesses in registering for Corporate Tax and VAT, and ensure all filings are submitted accurately and on time. Our services cover documentation, advisory, and liaison with the Federal Tax Authority.

04

Banking Services

We coordinate with leading banks to open corporate accounts that suit your structure and needs. From preparing required documents to arranging appointments, we ensure a smooth and efficient process.

Accounting & Bookkeeping

Our professionals provide ongoing accounting support, maintain accurate financial records, and prepare statutory reports. Whether monthly, quarterly, or annually, we ensure full compliance with UAE standards.

Marketing Services

Launching in a new market requires thoughtful positioning. We offer branding and marketing support to help your business stand out—whether you're building a new identity or expanding your presence.

Golden Visa Processing

We guide qualified investors, professionals, and property owners through the Golden Visa application process. Our team ensures that all eligibility criteria are met, documents are accurately compiled, and approvals are secured without delays.

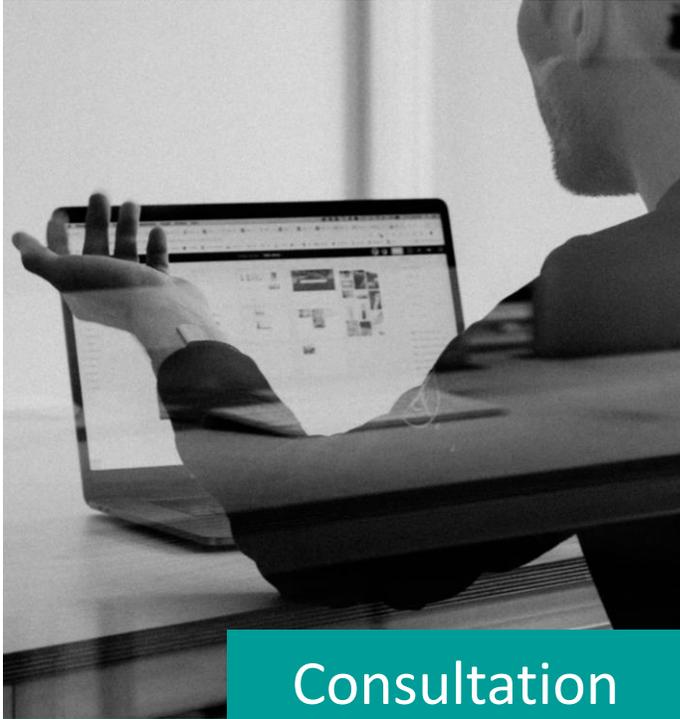

Document Attestation

We manage the attestation of commercial, legal, and academic documents through all required ministries and embassies. This service is essential for business registration, visa issuance, and contract approvals.
